YOUR GATEWAY TO EXCELLENCE

GSMR

الجمعيـة الخليجية للـصيانة والأعتمـادية

Gulf Society For Maintenance & Reliability

WHO WE ARE

GSMR is an independent community platform of professionals from various industries in the Arabian Gulf who aim to elevate standards of excellence in the fields of maintenance, reliability, and asset management.

Since 2010, we've established a hub of knowledge creation and exchange in the region, with ambitious plans of achieving our mission through interactive seminars, dynamic workshops, training and certification, regional forums, and global conferences.

VISION

To be the leading reference for maintenance, reliability and asset management.

MISSION

To foster a community dedicated towards excellence in maintenance, reliability and asset management practices, through education, certification, and collaboration.

OUR STORY

In early 2008, we identified the need for a regional entity to represent maintenance and reliability professionals in the different industries in the Gulf. Hoping to expand their network, 26 professionals from major Gulf companies came together and founded the Gulf Society of Maintenance Professionals (GSMP), which later transformed into the Gulf Society for Maintenance and Reliability (GSMR).

We've come a long way since we've incepted: our nonprofit organization is a leading industry hub for maintenance, reliability, & asset management professionals with an ambitious road map ahead. By promoting knowledge and excellence, we believe in addressing, responding, and adapting to changes in the industry.

WHAT SETS US APART?

Our strategic and ambitious drive for growth and the expansion in our specialized industry standards.

Our passion towards our members through networking opportunities, interactive resources, specialized training and certification.

Our advantage in complimenting engineering societies in the Gulf region.

WHY JOIN THE GSMR COMMUNITY?

Lifelong growth and upscaling
We want you to become part of a global community of change-makers in the Gulf who possess a passion for personal and professional growth. We're constantly growing and learning as professionals to accommodate the evolving maintenance, reliability and asset management field.

Our community events and conferences allow you to explore dynamic perspectives, leverage your talent, and promote industry excellence.

Gain cross perspectives on your industry and stay informed
As professionals, we believe in a culture of continuous growth and learning. Our community hosts events, seminars, and workshops that allow for a vibrant exchange of perspectives on the maintenance, reliability, and asset management field.

Furthermore, our social media platforms—LinkedIn, Twitter, and Instagram—host vibrant discussions and constructive debates on the latest industry trends.

Join GSMR and become a part of the conversation.

As a profession, maintenance, reliability and asset management have the characteristics of a dynamic, ever-changing field, wouldn't you agree?

As a member, you'll stay informed on the latest industry research, best practices, and trends. Upon joining, you'll have access to GSMR's extensive online portal of cutting-edge research and resources.

Leverage your talent
Advances in technology are rapidly changing our profession and field. In the age of digital transformation, we're staying competitive by adopting new skill sets, capacities, and ways of thinking. GSMR has trained hundreds of maintenance, reliability and asset management professionals from many established companies in the GCC. To help you stay ahead of the curve, the GSMR community adapts to the changes of the industry by continuously offering a new range of trainings and certifications.

By joining, you'll have access to our leading industry workshops including:

- **GSMR BODY OF KNOWLEDGE (BOK)**
- **PLANNING & SCHEDULING FOR EFFECTIVE MAINTENANCE**
- **HOLISTIC PHYSICAL ASSET MANAGEMENT**
- **ADVANCED MAINTENANCE MANAGEMENT**
- **PRINCIPLES AND PRACTICES OF PREDICTIVE MAINTENANCE**
- **ROOT CAUSE ANALYSIS FOR MAINTENANCE & RELIABILITY APPLICATIONS**
- **MANAGING SHUTDOWN MAINTENANCE**
- **BUSINESS DRIVEN RELIABILITY**
- **MAINTENANCE & ASSET RELIABILITY CERTIFICATION (MARC)**
- **CERTIFIED ASSET MANAGEMENT ASSESSOR (CAMA)**

We meet your company's needs: GSMR's diverse workshops can be held publicly or in-house.

PROMOTE EXCELLENCE, MAKE AN IMPACT

At GSMR, we value excellence and believe that promoting industry best practices creates a ripple effect of societal impact and transformation. To support new talent, we've created an award that emphasizes added value and knowledge creation.

GSMR Excellence Award is open to both individuals and organizations dedicated to supporting best practices and innovation in the field of maintenance, reliability and asset management.

Inclusive growth and gender equality are high on our agenda. Women are a valuable asset to various industries and play a pivotal role, which is why we formed the Women in Industry and Asset Management (WIAM) committee, a brand new initiative of its kind where pioneering women get to highlight their achievements and contributions in the growing realm of maintenance, reliability and asset management.

STAY CONNECTED TO GLOBAL M&R & ASSET MANAGEMENT INNOVATORS

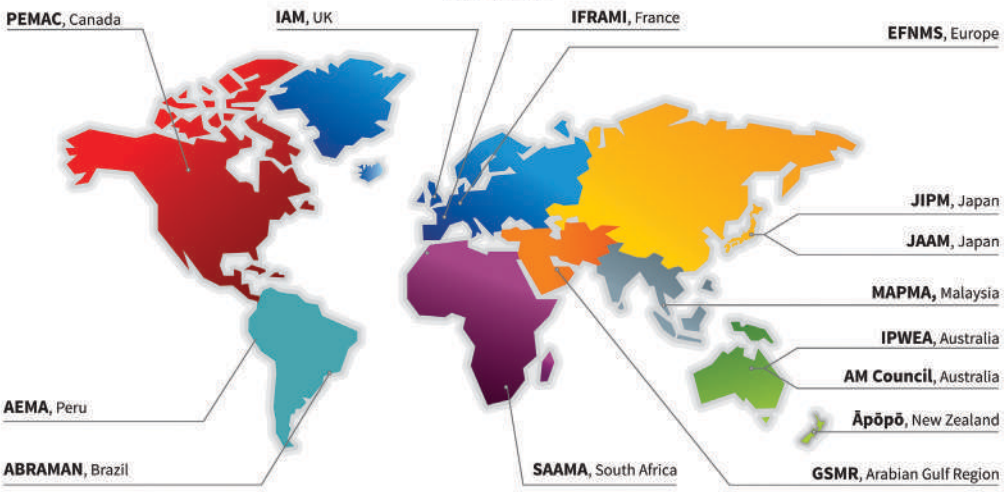

The GSMR community is a founding member of Global Forum for Maintenance & Asset Management (GFMAM), a body connecting maintenance, reliability and asset management societies worldwide.

GFMAM
Global Forum on Maintenance & Asset Management

Members

WPiAM

GSMR community has taken the initiative to increase focus on Asset Management by joining World Partners in Asset Management .

ACCESS REGIONAL AND GLOBAL INDUSTRY EVENTS

GSMR has hosted over 100 events to date, including workshops, events, and forums. Experience the dynamism of GSMR's industry forums across the GCC countries and connect with leading international service providers and organizations.

Attend MAINTCON, get inspired

The Middle East Maintenance and Reliability Conference (MAINTCON) is the crowning achievement of GSMR.

Held every two years, the conference draws in over a thousand of industry experts and high-profile individuals who want to witness first-hand innovative projects in the fields of maintenance, reliability, and asset management.

Quick fact: MAINTCON draws in over 1000 attendees.

As a GSMR member, you'll have the privilege of attending exhibits and presentations by regional and global practitioners, service providers and vendors. You can even showcase your projects in the future and build your opportunities.

What are you waiting for?
