MAINTCON 2020
6th MIDDLE EAST MAINTENANCE & RELIABILITY CONFERENCE
22-25 November
Gulf Hotel, Kingdom of Bahrain
Industry 4.0 - New Era in Maintenance & Reliability
www.maintcon.org
Welcome to MAINTCON 2020 - the premier maintenance, reliability & asset management conference & exhibition organized by Gulf Society for Maintenance & Reliability (GSMR) in association with Bahrain Society of Engineers (BSE). MAINTCON has steadily grown to be one of the largest gathering for maintenance and reliability professionals in the world with an expected attendance of over 1500 professionals from across the globe. MAINTCON 2018 was a huge success as participants enjoyed, appreciated and were enriched by the content.

The 6th edition in its series, MAINTCON 2020 will be an action packed event for every participant with various activities including technical exchange, GSMR excellence award ceremony, Women in Industry & Asset Management event, innovation corner among others. With the theme, Industry 4.0 – New Era in Maintenance & Reliability, the event will focus on the technological advancements and the digital transformation happening in the areas of maintenance, reliability & asset management. With more processes being automated than ever before, we will explore the various possibilities and MAINTCON 2020 will be the perfect platform for international and regional professionals, researchers, service providers and end users to network and share knowledge. Meet experts, strengthen and update your ideas at MAINTCON. In addition to the technical and industry focused conference, exhibition will be held over 3000 sqm an increase of 40% compared to 2018.

We will also host the semiannual meeting of the Global Forum on Maintenance and Asset Management (GFMAM) which is a worldwide community of organizations providing leadership for maintenance & asset management communities who share collaboratively collected advancements, knowledge and standards in maintenance, reliability and asset management.

Join us on the the occasion of celebrating the 10th anniversary of both GSMR and MAINTCON. We are confident that this conference & exhibition will prove to be a fruitful platform where all levels of industry leaders and specialists associated with the maintenance, reliability & asset management will join to share their expertise which will enrich such a highly professional event.

Don’t hesitate! Visit www.maintcon.org and join us, and please submit your abstract to share your knowledge and add value to the conference technical program.
