

GSMR Elected NEW Board Members

Gulf Society for Maintenance and Reliability (GSMR) held its General Assembly meeting on March 3, 2018. GSMR management briefed the attendees about its technical events, training program and financial & audit reports. Then, the general assembly elected new Board of Directors for the years 2018-2020. The new Board then held its first meeting and elected the Board Officers as follows:

- 1- Chairman, Nezar Al Shammasi - Saudi Arabia
- 2- Vice Chairman, Mahmood Mirza - Bahrain
- 3- Executive Secretary, Eyad A. Al Basrawi - Saudi Arabia
- 4- Treasurer, Ibrahim Hadi - Saudi Arabia
- 5- Board Member, Naser Al Hajri - United Arab Emirates
- 6- Board Member, Naser Al Attar - Kuwait
- 7- Board Member, Abdullah Al Mugahwy - Saudi Arabia

It is worth noting that GSMR was established in year 2010. Its mission is to provide a platform for promoting world class maintenance, reliability and asset management by sharing knowledge and exchanging best practices among maintenance and reliability professionals. GSMR main supporters in the region include Saudi Aramco, SABIC, BAPCO, ADNOC, PDO, Kuwait Petroleum Corporation, SADARA, Flowserve and others. One of GSMR major activity is the organization of the "Middle East Maintenance Conference (MAINTCON)", planned to be held this year November 2018 in Bahrain.
